

Environmental Policy

PrintHouse Corporation is committed to minimising the environmental impact of its business operations wherever possible.

To achieve this commitment, the company will:

- Strive to continuously improve its environmental performance and integrate recognised applicable best practice into its business operations.
- Reduce its consumption of resources and improve efficiency in the use of these resources.
- Manage waste generated from business operations according to the principles of reduction, reuse and recycling.
- Manage its business operations to prevent pollution.
- Ensure environmental criteria are taken into account in the procurement of goods and services.
- Comply with all relevant environmental legislation.
- Maintain chain of custody standards under both the Forest Stewardship Council (FSC) and PEFC Council (Programme for the Endorsement of Forest Certification).

To secure these objectives, the company will:

- Report on environmental issues at director level, and allocate resources for implementation of strategic measures arising.
- Set and monitor key objectives and targets of our environmental performance at least annually.
- Communicate the importance of environmental issues to our staff, suppliers and customers.
- Review our environmental policy regularly.
- Implement management systems enabling verifiable chain of custody procedures.

This statement represents the company's general position on environmental issues and the policies and practices we will apply in conducting our business. The Environmental Policy is accessible to all staff and interested parties via our website (www.printhouse.co.uk) and on request.
