

Plant List

Offset Litho Printing Equipment

- Heidelberg Speedmaster SM1026 PS
six colour
B1 perfecting press
- Heidelberg Speedmaster SM102 FP
five colour
B1 perfecting press
- Heidelberg GT052 FP
five colour
B3 perfecting press
- Heidelberg SM52 ZP
two colour
B3 press

Digital Printing Equipment

- HP Indigo 5500
digital printing press
- Xerox DC700
digital press with in-line finishing
- Epson 9880
large format printer
- Epson 10600
large format printer

Design and pre-press

- Dainippon Screen Trueflow
websever based workflow
- Dainippon Screen PT8100 Platesetter
computer to plate system with online Kodak
plate processor/stacker
- Proofsign Verio colour calibration system
running to 12647-2 ISO Europe Coated 2
(Fogra 39) standard
- Mac and PC workstations.
Fully integrated cross platform design studio.

Finishing

- Guillotining
- Fold-stitch-trim
- PUR binding
- Wire-binding
- Die-cut
- Crease and make up
- Lamination
- uv varnishing
- Foil-block and embossing
